Creative Multimedia professional with hands-on experience in graphic design, video editing, 3D animation, and visual content production. Experienced in developing promotional materials, editing video content, creating motion graphics, and supporting event documentation. Skilled at combining visual storytelling, attention to detail, and creative problem-solving to deliver engaging content across digital platforms. Currently pursuing a Bachelor's degree in Creative Multimedia, with a strong interest in graphic design, video editing, and multimedia production.

PROFESSIONALS EXPERIENCE

Kementerian Hukum Republik Indonesia – Kuningan, Indonesia

Oct 2025 – Mar 2026

Multimedia Production Intern

- Produced and edited video content for internal communications, social media, and institutional activities.
- Contributed to the production of more than 20 video projects, including content that was not publicly published.
- Worked as a video editor, videographer, photographer, and motion graphics designer across various projects.
- Documented official events and institutional activities through photography, videography, and behind-the-scenes content.
- Created motion graphics and visual assets for institutional events and promotional materials.
- Assisted in producing Instagram Reels and internal video content while supporting the creative production workflow.
- Collaborated with the communications team to deliver visual content that aligned with project requirements and institutional communication needs.

Swarna Creation – Sawangan, Indonesia

2025 – Present

Graphic Designer

- Created promotional graphic materials for high school music and entertainment events.
- Designed social media content, Instagram posts, posters, and other promotional materials for event campaigns.
- Developed visual concepts and layouts that matched the event's theme, audience, and branding.
- Collaborated with the event team to support promotional activities and maintain visual consistency across campaign materials.

Mythologic Studio – Cibubur, Indonesia

September 2024 – May 2025

3D Animator and 3D Layout Artist

- Worked as a 3D Animator on the Si Unyil animated television series, contributing to animation production for a nationally broadcast program.
- Created and refined character animation to support storytelling, movement, and scene requirements.
- Assisted with character rigging to prepare 3D characters for animation and production.
- Developed 3D layouts, including scene composition, character placement, and camera positioning.
- Collaborated with the animation team to support the production workflow and meet project requirements.

Dfaith Studio – Depok, Indonesia

2023 – Present

Graphic Designer

- Design custom photobooth frames for events, celebrations, and client projects.
- Develop visual concepts and layouts that align with client preferences and event themes.
- Prepare graphic elements, typography, and decorative details for photobooth frame designs.
- Work with clients to understand design requirements and deliver personalized visual outputs.
- Manage design revisions and ensure final artwork is prepared according to project specifications.
